CHANGE IN THE AMOUNT OF FOREIGN PLAYERS PER CLUB

Dear All,

At an Executive Board meeting on March 27th, 2018 the Executive Board passed a motion to allow more than 6 foreign players to be registered for a club.

Clubs are asked to take note of the following:-

1. Only six players may be attached to the first team for the entire season. All others will play in the reserve league.
2. These six players must be identified prior to playing any games.
3. Players who have legal status from the Barbados Immigration office are not considered as overseas players and as such do not require International Transfer Certificates. They can be registered as normal.
4. All applications for international transfers in must be communicated in writing within the specified transfer window period.

Thank you for taking note.

Yours faithfully

Edwyn Wood
General Secretary
